## REPORT OF THE BOARD OF MISSIONS

We have read with interest the communication of the Board of Missions sent out to the Annual Conference Boards, and note the following items:

Our attention is called to the vastly enlarged missionary task that lies ahead of us both at home and abroad. It is imperative that the Centenary pledges be collected or that consequences be suffered that we scarcely dare to consider. In our own Conference there is a deficit of about  $33\frac{1}{3}\%$  on the 80% of the amount due on pledges, and another payment will be due January next. Every effort should be made to bring up the deficit and meet the payments when due. We also report with regret that but 61% of the Missionary assessments for the year has been paid by our Annual Conference.

Our church at large has never experienced such an ingathering of new members as the period in which we now find ourselves. We are pledged by action of the last General Conference to an increase of a million new members during the quadrennium. This calls us to our most earnest effort to win our part of this number of souls for Christ, which would be an increase in our membership of about 10% annually.

Our own Conference Evangelist, W. P. Hunt, has had a successful year, and we recommend his reappointment by the bishop. We ask that the pastors and churches desiring the services of Bro. Hunt conform strictly to the plans which he presents in financing the meeting, and that the pastors have a clear understanding with their churches to this effect before engaging him.

We commend the persistent and careful work of Bro. V. O. White, and are glad to note that he has been called to a larger field of service. We recommend his appointment as Conference Missionary Secretary, and also as Centenary Field Secretary.

We have been pleased and profited by the presence and addresses of Dr. W. G. Cram, Director of the Centenary; Dr. A. C. Zumbrunnen, Cu-

tivation Secretary, and Miss Daisy Davies, Field Secretary of Centenary Commission.

Your Board has appropriated the sum of \$1800 to the Methodist Foundation Commission as per order of the Conference last year. We also appropriated \$300 to the support of the contemplated Training School for Christian Leaders.

Your Board has heard with profound interest and deep appreciation of the great Christian service promoted by the Wesley Community House of St. Joseph. The Board has carefully considered the request of the representatives of that institution for an appropriation from the funds of the Board to the Annual Budget of their work. The Board finds that claimants on the resources of the Board heretofore recognized, present needs that more than cover its available funds.

Besides, your Board is forced to consider whether such work as that of the Wesley Community House does not more properly fall within the province of the department of Woman's work, rather than within that of this Board.

ROBT. McILROY, Sec. pro tem.

### REPORT OF THE BOARD OF CHURCH EXTENSION

Your Board of Church Extension makes the following report:

The report of the General Board was before us and that report indicates that the General Board has been making heroic efforts under difficulties due to the financial and economic stress of the times and to the large requests for aid which are coming to them. The askings this year to the General Board of donations totaled \$1,053,850.00 and the amounts available for grants was \$44,338.89. The requests for loans amounted to \$1,215,640 and the money in hand to loan was \$265,257.63.

Your own Board faced a similar situation in proportion to the amount they had to appropriate last year at which time all grants had to be cut fifty per cent below the askings. This situation indicates the need of larger donations and loan funds for your Boards. Therefore we urge our pastors to bring this pressing need to the attention of our people.

The shortage in our loan funds is aggravated by the fact that large amounts on loans are over-due. For instance there is over due the Gen-

eral Board \$200,000 and there is over due your Conference Board on loan principle and accrued interest, \$1,101.04, and this amount in our own Conference lies at the door of three charges. We insist that it is the duty of these churches to meet the obligations when due in order that this trust fund shall be conserved.

Your Conference loan fund now totals, with \$400 added this year, \$5,090.47. We are hoping to add to this amount yearly.

We direct your attention most earnestly to the architectural department of the General Board which is under the supervision of Dr. J. A. Baylor, who is recognized now as being one of the best church architects in the United States, and it is the plan of the Board to use him in a more general way, making him an advisor in architecture for the entire church. If you are contemplating building churches or parsonages call upon Dr. Baylor for advice or submit your plans to him for suggestions or approval.

Southern Methodism has \$80,000,000 invested in property and we are losing annually from \$200,000 to \$350,000 on account of lack of insurance. Our General Board is working out a plan for what is to be known as "property protection," and hope to put it in operation by April 1, 1923 and by means of which we hope to avoid this great loss.

We wish to remind those who have grants from the Centenary funds that they can not receive payments on such grants except as the Centenary subscriptions are paid.

We call your attention to a law of our Board of Church Extension which provides that neither loans nor donations can be granted except on first mortgage security. It will avoid trouble and disappointment if this matter is looked into carefully before making application.

The total amount for distribution this year was \$3,611.81.

The following grants have been made:

## REPORT OF THE BOARD OF EDUCATION

## Report No. 1

Your Conference Board of Education submits the following report:

We request Bishop McMurry to appoint Paul H. Linn as president of Central College and as president of Howard-Payne College.

This request is based upon the recent election of Dr. Linn as president of Howard-Payne College by the curators of that institution, on the recommendation of a joint committee of the Board of Curators of Central College and of the Board of Curators of Howard-Payne College, which election is for the declared purpose of effecting a consolidation of the two institutions, preserving, as far as is consistent with sound educational policy, the name and traditions of Howard-Payne, but placing the title to all property, and the control of the two institutions, as soon as possible, in a single Board of Curators, as set out in detail in a proposal made by Paul H. Linn to the Board of Curators of Howard-Payne College, and accepted by them in his election as president of that institution, a copy of which proposal is on file with this Board of Education.

We rejoice in this consummation, so long desired by this Conference, and now so happily approaching realization, which will so largely reduce administrative expense, and so make accessible to our young people the best educational advantages at the lowest consistent expense.

In order to promote this proposed consolidation, we recommend that, by the adoption of this paper, the Conference authorize the Howard-Payne Board of Curators to issue additional bonds secured by second mortgage on its real estate, and by first mortgage on its personal property, to such an amount, not to exceed \$50,000.00, as may be necessary to take up all existing indebtedness not represented by the present outstanding bonds of the institution.

That in view of the conditional gift of \$165,000.00, by the Rockefeller Foundation to Central College, which condition must be met before June 1, 1923, we hereby authorize and request our presiding Bishop and the Board of Curators of Central College, to make vigorous efforts to secure the remaining money necessary to secure the Rockefeller gift, and we pledge them our best efforts in securing for them access to our people.

That in view of this consolidation, the primary dependence of our church on its own colleges for trained Christian leaders, and the patent injustice of expecting the local church to furnish adequate church building and equipment for so large a student body, we hereby request the authori-

ties having charge of the distribution of the fund for promoting church building in educational centers, to make liberal contribution for an adequate church building in Fayette on condition that the local church contribute its just and reasonable part toward the enterprise.

That the Conference express its appreciation of the splendid spirit of retiring president Alexander, in sacrificing his position in order to accomplish the consolidation of these two schools.

### REPORT OF THE BOARD OF EDUCATION

#### Report No. 2

Your Board of Education had before it a report from a joint meeting of the Executive Committees of the three Missouri Conference Boards favorable to a recommendation from the General Board of Education that the three Missouri Conference offices of the Christian Education Movement be consolidated. We looked carefully into this proposal and beg to recommend that this Conference approve the consolidation and that we request the Bishop in charge to appoint, from one of the Conferences involved in the consolidation, a man for the office.

It is the sentiment of this Board that the salary should not exceed \$3600.00.

### REPORT OF THE BOARD OF EDUCATION

#### Report No. 3

Your Board has heard the representatives of our Church Schools, and their reports have been read. We rejoice to learn that the increased dormitory accommodation for Central and Howard-Payne Colleges is so nearly filled, and that there were a larger number of college students in Central College for Women this last year than ever before. We look forward to a new day in our educational work in Missouri as a result of the opportunities that are opening to us.

We rejoice in the reports that come to us of the great spiritual influence of the work done under the direction of the Commission on Student Work at Columbia.

There has come to us from our presiding Bishop, a suggestion as to our need for a Training School for Christian Workers, and we adopt as ours, to present to the Conference for its adoption the following paper, prepared by a committee of nine named by the presiding elders of the three Missouri Conferences, and modified by us:

Whereas, the last General Conference provided for an approved institute or school through which the undergraduates of the Annual Conferences would be permitted to do their work and pass their examinations;

And, whereas, there is manifest need for such instruction and direction for the undergraduates as may be furnished by such a school;

And, whereas, many other of our brethren, both lay and clerical, including ourselves, have need for special study and training in many departments of church work;

And, whereas, there is no institution connected with our Methodism in Missouri prepared to furnish special instruction and training in any satisfactory degree or manner to meet the above-mentioned conditions, thus making it necessary for our brethren to do without such special privileges or go into distant places to secure them;

And, whereas, there can be no question about the need for a better trained and more efficient Christian leadership in our church in Missouri, both lay and clerical;

And, whereas, we have at Fayette, Missouri, at the seat of our Central College, ample dormitory, class room and auditorium accommodations;

And whereas, Missouri Methodism must do its work in a very large sense as a unit if it is to discharge its duty to the State and the regions beyond;

And, whereas, the distances are not too great for us to bring together in one place our brethren who stand in need of the special training and inspiration contemplated;

And, whereas, we believe that it will be more economical and more efficient to unite the three Conferences of the State in the proposed school;

Therefore be it resolved:

First: There shall be organized and conducted at Fayette, Missouri, on the Central College campus a Training School for Christian Leaders, with the end in view that the spiritual life of our preachers and laymen may be deepened and that they may be trained for more efficient leadership in their churches and elsewhere.

Second: The first session of the Training School for Christian Leaders shall be held immediately following the close of school work at Central College in June, 1923.

Third: A Board of Directors shall be named by the three Annual Conferences in the State as follows: one from each conference to be nominated by the Conference Board of Education; one to be nominated by the Conference Board of Missions; a layman to be nominated by the Bishop in charge; the Cultivation Secretary of the General Board of Missions; one from the General Board of Education; and one from the General Sunday School Board. The Bishop in charge of the Conference and the President of Central College shall be ex-officio members of the Board.

Fourth: The Board of Directors shall have full charge of the school, including the election of a Dean, and in connection with the Dean shall select the other members of the faculty. The Dean, under the direction of the Board of Directors, shall be the directing head of the school.

Fifth: It shall be the duty of the Board of Directors to determine the amount necessary to pay the expenses of the school and to divide this amount equitably between the participating Conferences with recommendations as to the proportional part the participating Boards of the several Conferences shall assume; except such part of the expense as shall be taken care of by the General Boards of the Church.

Sixth: Provision for the maintenance of the above mentioned school for the first year shall be as follows:

1. That the three Annual Conferences in Missouri assume the amount necessary to carry on the work for the undergraduates in those conferences, i. e., \$5000.00, to be included in their respective assessments for education, as follows:

The Missouri Conference .....	\$2000.00
The St. Louis Conference .....	1500.00
The Southwest Missouri Conference .....	1500.00
Total .....	<hr/> \$5000.00

2. That the Conference Boards of Missions of the three Conferences participating appropriate for the general expenses of the program of the above mentioned school the following amounts:

The Missouri Conference .....	\$300.00
The St. Louis Conference .....	200.00
The Southwest Missouri Conference .....	200.00
Total .....	\$700.00

3. That the Conference Sunday School Boards of the three Conferences participating be requested to appropriate amounts similar to those of the Conference Boards of Missions, i. e.:

The Missouri Conference .....	300.00
The St. Louis Conference .....	200.00
The Southwest Missouri Conference .....	200.00
Total .....	\$700.00

4. That each of the General Boards of the church, or department of such Boards, contribute an amount sufficient to defray the expenses of presenting such courses as they wish to have offered.

We have read carefully the communications from the General Board of Education, and we pledge our hearty and earnest support of the plans of the General Board in carrying on the Christian Education Movement, and our hearty co-operation in prosecuting the work of Religious Education in our Conference.

We appoint the President of the Board as our representative in the membership of the Methodist Educational Association.

The Board recommends that the Conference request the appointment of the following to schools:

- Dr. O. E. Brown as Dean of Vanderbilt School of Religion.
- F. A. Culmer as Professor in Central College.
- R. S. Tomlin as Professor in Paine College.
- F. Darcy Bone as student in Emory University.
- L. E. Murphy as Professor in Marvin Collegiate Institute.

We recommend for election as Curators:

Central College—B. D. Sipple and B. Marvin Harris to succeed themselves, for a term of four years each.

Howard-Payne College—W. P. Wynn, A. W. Walker, M. M. Payne, W. L. Scarborough, to succeed themselves, for a term of four years each.

W. M. Alexander as a new member of the Board of Curators, for a term of four years.

Second: The first session of the Training School for Christian Leaders shall be held immediately following the close of school work at Central College in June, 1923.

W. M. Alexander as a new member of the Board of Curators, for a term of four years.

Central College for Women—

F. Lee Wallace and Robin Gould, to succeed themselves, for a term of four years.

The Board has made apportionments as follows:

Central College .....	\$1600.00
Central College for Women .....	100.00
Howard-Payne College .....	100.00

The above amounts to be paid out of funds on hand.

The commission on Student Work at Columbia, to be used for the salary of the Student Secretary and the expenses of the Commission \$800.00.

This to be paid out of the ensuing year's collections.

We recommend that each of our colleges, and all others receiving aid from our Board, be required to furnish to the Board a detailed statement of receipts and disbursements, including salaries, and setting forth clearly the amounts received from each Conference, from tuition, endowment, and other sources.

We recommend that each of the colleges receiving aid from our Board be required to furnish to the Board a copy of the charter and title-deeds under which they hold property.

We recommend that the Conference request the appointment of the following:

E. H. Farmer and R. D. Swinney as students in Yale University.

W. M. Alexander as Conference Secretary of Education, to serve without salary.

B. D. Sipple as agent of Central College, to serve without salary.

Warren Middleton as student at Central College.

At its annual session in September, 1920, the Missouri Conference endorsed a request of the officials representing Central College for Women that in the Christian Education Movement askings should be made in behalf of that institution with a view to making it a class A college. The subscriptions secured in the educational campaign following have not been sufficient to accomplish this result; and in consequence, Central College for Women remains, and, so far as the Christian Education Movement is concerned will continue to be, a junior college.

In the distribution of the funds now being collected on the Christian Education Movement pledges, Central College for Women is participating on the basis of a class A college, notwithstanding the fact that it has no

immediate promise of being raised above the rating of a Junior College. In this way it enjoys a more than 100% advantage over other institutions of its own present rank. It is the sense of this Board that under existing conditions Central College for Women should share in the funds now being collected on the educational pledges on the basis which it actually occupies—that of a junior college.

## REPORT OF CONFERENCE SECRETARY OF EDUCATION

Dear Fathers and Brethren:

For the last two years, as your Conference Secretary of Education, the Christian Education Movement has engaged my attention.

That the movement has in a large measure reached its first objective of leading our people to a right conception of Christian Education is very evident, it seems to me. This cannot be tabulated in figures, but the 21,000 family altars, the increased attendance at Central College, and the statement of the field agent of the college that he finds a new understanding and knowledge of our colleges are some of the evidences.

From a financial standpoint, the three Missouri Conferences stand far down the list of the 39 subscribing Conferences. It is very small consolation, but perhaps some, to know that of the three Missouri Conferences, while the quota of the St. Louis was the largest, the Missouri Conference made the largest subscription, and has paid the largest amount to date, of the three.

In amount of pledge, Missouri stands 30th, St. Louis 31st, and Southwest 32nd on the list. In amount paid on pledges, Missouri stands 26th, St. Louis 27th, and Southwest 29th. In percentage of payment the case is different. All the Missouri conferences are on the honor roll. Southwest Missouri stands second, with 130% paid, Missouri fifth, and St. Louis sixth, both with 109% paid. These percentages are the figures of May 1st.

The figures for the Missouri Conference are, up to date, quota, \$771,500.00; pledge, \$175,570.07; paid, \$37,994.15. More than \$8,000.00 is still due and unpaid on individual pledges, although the Conference has paid \$2,000.00 more than its first payment in full.

The expenses in Missouri have been among the smallest in the church. Here the Missouri Conference has been the least in Missouri. Up to March 1, which is the date of the last figures furnished me, the expenditure for the Missouri Conference had been \$5,395.40, and for the whole church \$240,094.60. The total collection up to August 1, 1922, was \$2,951,848.33, and the total subscription was \$17,828,162.00.

May I, as I turn from this task to which the church called me for these two years, express my deep gratitude to the brethren of the Conference for their cordial co-operation, the freedom with which they have opened their pulpits, and the brotherliness with which they have made this task a joyous fellowship, and may I express the hope that they will be just as cordial to the one who shall be appointed to the three conferences for this work. Together may we ever strive to "Put God in our nation's

life, and put Him there in a style to stay," by building Jesus and His principles into the very life-blood of our youth through the Christian home, the cordial co-operation of church and public school, and through the Christian colleges of our land.

Respectfully submitted,

C. S. RENNISON.

I append the financial statement as Secretary-Treasurer of the Christian Education Movement:

**REPORT OF THE COMMISSION FROM THE THREE MISSOURI  
CONFERENCES FOR RELIGIOUS WORK AMONG METHO-  
DIST STUDENTS AT THE STATE UNIVERSITY.**

We, your Commissioners, beg leave to submit the following report:

We recommend that in the future the work of your commission be carried forward under the name of the Missouri Methodist Foundation.

We are pleased to report that substantial progress has been made in carrying out the instructions of the three Annual Conferences to provide adequate church facilities and a Woman's Residence Hall at Columbia.

The following definite achievements evidence this progress namely: A most desirable location of ample proportions 142½ on South Ninth, 240 on Cherry, S. E. corner, has been purchased for the church building at a cost of thirty-seven thousand five hundred dollars (\$37,500). The commission confidently expects to have funds in hands by January first to pay for this real estate. In addition to this an ideal site has been purchased for the Woman's Residence Hall at the cost of eighteen thousand dollars (\$18,000). The commission expects to have funds in hands by January first to pay for this also.

In addition to the funds provided by the general Board, namely, the Board of Missions, fifty thousand dollars (\$50,000); the Board of Church Extension fifty thousand dollars (\$50,000); and the Woman's Board sixty-six thousand six hundred and sixty-six dollars (\$66,666), three distinct campaigns for funds have been conducted with the following results: The campaign in the Broadway Methodist Church and among the students of Columbia has resulted in subscriptions to the amount of forty-seven thousand dollars (\$47,000). The campaign in the State at large has resulted in subscriptions of eighteen thousand dollars (\$18,000), and the campaign conducted by the Woman's Missionary Society has resulted in pledges of thirty-three thousand dollars (\$33,000) making the total assets of the Missouri Methodist Foundation not including the present church property at Columbia two hundred sixty-four thousand six hundred and sixty-six dollars (\$264,666).

We wish to report that wherever this cause has been presented to our people throughout the State it has been cordially received and that it is the mind of our Missouri Methodists to carry this enterprise to a successful conclusion.

The church at Columbia is united in its support of this movement and Columbia and Boone county can be depended upon to secure their portion of the necessary funds, namely, one hundred thousand dollars (\$100,000),

We seem to have found an effective agent and solicitor in Mr. J. W. Schwabe of Columbia, as evidenced by his successful work during the months of July and August in which time he raised in excess of twelve hundred dollars a week (\$1200) and we hereby earnestly request the Conference Board of Missions appropriate eighteen hundred dollars (\$1800) for the carrying on of this canvass.

We are pleased to report that the Building Committee has been authorized to select an architect to prepare plans for the Woman's Residence Hall. We confidently expect the construction of this building to begin next spring.

A General Supervising Committee consisting of the following: Bishop W. F. McMurry, J. T. Pritchett, chairman; R. B. Kimbrell, J. F. Caskey, vice-chairman; and W. E. Brown, secretary, has been appointed and proposes to direct the canvass for funds in the State at large in a thorough and systematic manner.

We recommend J. F. Caskey and Prof. F. F. Stephens be appointed as commissioners for the Missouri Conference.

We are confident that we now have workable plans for the successful carrying out of this enterprise and we earnestly urge our pastors and people to support the plans of the commission for accomplishing this great work.

#### REPORT OF THE BOARD OF MINISTERIAL EDUCATION

Your Board desires to call attention to the need of a larger fund to assist young men to complete their education in college work before entering the active work of the ministry.

Your Board believes that special attention should be given by our pastors to this important question in preaching the sermon on "the call to the ministry." In connection with the program of Christian Education in Central College there should be a fund sufficiently large to meet all the demands laid upon it. No church should force her young men into the field until the work of preparation has advanced to the completion of the college course.

In view of these facts we persistently urge those whose notes are long over due, and who have had the benefit of this fund, to meet their obligations, not to the Board but to the young men who need this money and who are quite as worthy as they are.

**REPORT OF THE SUNDAY SCHOOL BOARD**

Your Sunday School Board submits the following report:

The report of the Field Secretary indicates an improvement over last year in enrollment, attendance, equipment, and the use of graded literature.

One hundred seventy-four schools are carrying Centenary Pledges, amounting to \$39,000.00, and four Centenary Specials have been assigned, amounting to \$900.00.

Where a working organization of our schools has been effected, the results have exceeded the expectation.

Twenty-two Teacher Training classes have been organized, and a total of 293 students enrolled. Eighteen district, group, and circuit institutes have been held.

We desire specially to express our appreciation of the faithful work of the field secretary, Mr. R. Wessner, who has been untiring in his devotion to the work, and unsparing of himself in his efforts to carry forward the Sunday School cause in the Conference.

The report of the General Board for the quadrénnium is very encouraging. This shows a net increase in the whole church of 354,000 in Sunday School enrollment for the last two years, offsetting the losses of the war period, and making a total net increase for the quadrénnium of 210,000. For the year 1921, an average of 5000 every week was added to the Sunday School enrollment of our church. The Sunday Schools have contributed one and a half million dollars in missionary offerings during

the quadrennium, and 304,000 persons to the membership of the church. The net increase in church membership is 174,000.

It is extremely gratifying to note, and we are deeply grateful to God for the great advance made by our church in this fundamental department of its work. We are troubled, however, by the fact that the Missouri Conferences are not keeping step with this progress.

It is startling to find that the church in Missouri has lost 141 Sunday Schools, and the enrollment has decreased by 15,608, during the quadrennium. Likewise the membership of our church has decreased by 5823. In the Missouri Conference, the decrease in number of Sunday Schools has been 67, in enrollment 6597, and in church membership 1956.

Your Board feels that a crisis is upon us, and we must say like General Foch, "My right is broken, my center is disorganized, my left is falling back, and I have ordered an advance along the whole line." This startling retreat in Missouri, while the church as a whole is advancing, and the knowledge that as go our Sunday Schools, so goes the church as a whole, has led us heartily to resolve that this Conference should join the General Board of our church in its plans for organized and supervised work.

A comparison of six conferences supporting organized and supervised Sunday School work, with seven conferences making but little provision for this, reveals the direction in which lies our hope. This comparison shows, in the conferences supporting this work, a gain of 53,127 in Sunday School enrollment, against a loss of 4,811 in those not supporting it. In the non-supporting conferences, the missionary offerings were larger in 1918, but these offerings were larger in 1921 in the supporting conferences, by \$11,000, the one increasing 57% and the other 199%.

The work that our church is doing here is attracting the attention of other churches. Professor Norman E. Richardson, of Northwestern University, one of the best-known Sunday School writers, says: "The genius for organization reflected in your method of reaching intensively all of the conferences is to my mind the most efficient in operation in any of the Protestant churches of our country." Similar expressions have come from such well-known men of the north as Drs. Cope, Forbush, Athearn, St. John, and Weigel, and from Dr. Burris, of the Southern Baptist Church. We can well afford to take advantage of all that the experience of our leaders has wrought out. One hundred training schools have been held with remarkable success in real educational work. We hope to hold three or more of these in the bounds of the Missouri Conference next year. This means worth while Conference and District organization, selecting and training and developing leaders.

In this connection, we would call attention to the fact that the Conference Sunday School Board, while asked to participate in the expense of the proposed Training School for Christian Leaders to be held in Fayette, is not represented on its Board of Directors, and suggest that by the adoption of this report the Conference add one representative from the Conference Board of Sunday Schools of each participating Conference, to that Board.

We would call attention to the new chapter in the Discipline on the Sunday School Board. Paragraph 387 provides for election not only of the Sunday School superintendents, but also of assistant superintendents, department superintendents, and general officers by the quarterly conference, thus making it a real Board of managers. These officers, together with the pastor, constitute a Sunday School committee.

We ask the Conference to authorize the Board to appoint a committee to act jointly with the representatives of the other conferences in the State in conferring with other denominations and the State Sunday School Association in the effort to find a basis of co-operation that is equitable and satisfactory to the Conference. This committee shall report its findings and the results of its negotiations to the next Conference, which, in the light of all the facts, shall then determine for itself its future relation with the State Sunday School Council of Religious Education.

We ask the Conference to endorse most heartily the larger program that is now undertaken, and give it the most cordial co-operation. We want our Missouri Methodism to show the other conferences of our church that we have not lost our faith in God, nor our intelligent zeal for His cause, and in our coming into co-operation with other denominations and the State Council, we want to bring the largest contribution that is possible.

We recommend that the Conference request the appointment of C. S. Rennison as executive secretary, to give his whole time to the work.

F. J. MAPEL, President

T. M. TAYLOR, Secretary

### REPORT OF THE EPWORTH LEAGUE BOARD

The Missouri Conference Epworth League Board respectfully submits the following report:

We are very much gratified with the reports that have been made at this Annual Conference. Statistics show that we have at present 123 local

chapters, which is a net gain of 15 local chapters over last year. In these local chapters there are 4475 members, representing a net gain of 208 for the year.

For the cause of Missions, the Epworth Leaguers of the Missouri Conference have raised the sum of \$1798, for Anniversary Day, \$101, and for all other purposes \$4029. These figures total \$5928 raised by Methodist young people for religious purposes.

The latest published statement from the central office at Nashville shows that we have 800 Mission Study Classes with 12,000 members. The circulation of the Epworth Era has reached 30,000. We call special attention to this periodical in the promotion of Epworth League work and recommend that it be used even more extensively by the members of the local chapters. There are 2,000 life service cards on file in the central office. All of these volunteers are in direct correspondence with the life service superintendent.

In many districts the Junior and Intermediate work is receiving little or no attention. We recommend that in instances where it is practicable, each pastor look to the interests of these two vital departments of church work.

We recommend to the Social Service Department of the Epworth League a special effort upon the part of the Wesley House, situated at St. Joseph, Mo.

We call attention to the fact that the second Sunday in May is established by the Discipline as Anniversary Day. On this occasion an offering is to be taken in each congregation for Epworth League work and sent to the treasurer of the Missouri Conference Epworth League Board.

Inasmuch as the Epworth Leagues of the Missouri Conference, acting on the requirements of the last General Conference, have organized a Missouri Conference Epworth League, whose cabinet is composed of leaguers who are competent to handle its affairs, we recommend that the church lend its every assistance that they may accomplish the highest good.

As the church has always looked to the Epworth League to supply a large portion of the special workers, candidates for the ministry and for the office of deaconess, we urge every pastor to take special thought for the young people to whom he is called to minister that he may cultivate in them a desire for League work, which will ultimately lead them into these larger fields of service for Christ and the Church. A Leagueless church today, means a leaderless church tomorrow.

The treasurer reports a balance of \$45.47 after all outstanding obligations have been paid.

### THE REPORT OF THE BOARD OF CHRISTIAN LITERATURE

Dear Brethren, the report of the agents of the Publishing House was before us and we note with pleasure the progress that has been made.

We desire to commend to our preachers and members the various publications of our church as being equal to the best to be had in their respective fields. The Quarterly Review, The Christian Advocate, The Epworth Era, and The Missionary Voice are all deserving of the widest possible circulation. We especially commend our Sunday School publications to all our Sunday School officers and teachers.

The report of the Directors of the Methodist Advocate Co., a copy of which is hereto attached, shows that the subscription list of the Advocate is now about ten thousand five hundred. The receipts for the year from all sources have been twenty-two thousand one hundred sixty dollars and sixty-one cents, and the disbursements twenty-two thousand one sixty-eight dollars and eighty-one cents. There was on July 31st, five thousand eight hundred seven dollars and seventy-eight cents of unpaid bills, and this amount will be increased before the end of the fiscal year. Against this indebtedness can be placed the money to be received from the three Annual Conferences and such collections as we may make from the seven or eight thousand dollars now due on subscriptions. We probably will begin the year 1923, forty-five hundred or five thousand dollars in debt.

We request that the program adopted by you last year for increasing the circulation of the Advocate be adopted as the program for this year and that every effort be made to bring our subscriptions in the bounds of the Missouri Conference to six thousand.

We further recommend that the same appropriation, fifteen hundred dollars which was made for the Advocate last year be made for the ensuing year.

We respectfully request the Bishop to appoint Rev. C. O. Ransford, associate editor of the Advocate.

We also respectfully request the Conference to elect A. A. Kuhne as

trustee in the place of Mrs. Turner McBaine, who has moved from the State.

Respectfully submitted,

J. M. MONROE, President

### REPORT OF THE AMERICAN BIBLE SOCIETY

We, the Board of the American Bible Society, beg leave to submit the following report:

We do not feel that it is necessary for us to attempt to defend the Bible in any way, for we believe the Holy Scriptures themselves, make the most effective missionary appeal ever known to mankind. We feel that the world stands in need of the Bible as never before. We believe that the industrial, social and political needs of the world today challenge us to the best effort possible to put the Bible, with its message of hope, life and light in reach of all men throughout the world, and to accomplish this task, we urge our brethren to pray for a great hungering for the Bible among our people. The American Bible Society has for free distribution a certain quantity of Bibles, and we recommend that the brethren make use of this opportunity of placing the Bible in the hands of all men as far as they are able.

Notwithstanding the certain phase of infidelity that has swept over the land in the last few years we believe in the inspiration of the Bible and that it is "profitable for doctrine, for reproof, for correction and instruction, in righteousness, that the man of Good may be furnished to all good work," and that "it is the power of Good unto salvation to all that believe it."

It is with pride that we call the attention of the Conference to the splendid contribution of \$795.00, from this Conference to the support of this great work, and yet the amount is wholly inadequate to meet the needs of this Society, and it does not by any means express the necessity of our support in the work of the American Bible Society. We urge that the brethren hold up the Book and preach the word of Good.

Humbly submitted,

H. E. CORBIN, Chairman

F. E. MOSLEY, Secretary

#### REPORT OF COMMITTEE ON DISTRICT CONFERENCE RECORDS

We, your Committee on District Conference Records, beg leave to make the following report:

All the records were before the Committee for Examination, and we find them in splendid condition. Four of them neatly typewritten, the others, though written by hand, are legible and neat.

#### REPORT ON TEMPERANCE AND SOCIAL SERVICE

We, your Board of Temperance and Social Service are made to rejoice in the active part the Church is taking in these times of social and economic unrest, to bring about peace and prosperity. Never was there a time when Jesus, the Prince of Peace, is needed to be held up as the panacea of all ills as now, and our preachers have been faithfully proclaiming Him as such from pulpit and platform.

We note with interest the good work our brother, J. T. McDonald has

done as superintendent of the Kansas City and St. Joseph Districts of the Children's Home Society, and recommend his appointment for another year.

We deplore the little regard that is shown for the Sabbath day in many places. The laws of our State concerning the Sabbath are flagrantly violated. The laws of our Church, in the matter of buying or selling on the Sabbath are trampled under foot, and the law of God to make the Sabbath "Holy" is ignored.

We wish to endorse the work of the Lord's Day Alliance in its untiring endeavor to bring about a proper observance of the day, and recommend as close affiliation with them as practicable.

One of the crying needs of the day is proper regard for law. Mankind must choose between law and order, and ultimate social chaos, and "Judgment must begin at the house of God." If the ministers and members of the Church can smile a disapproval of law,—whether it be the law of the State, the home, school, or the Church, we can expect no strong sentiment any where for law and order. To disregard one law is to lend an influence toward the disregard of all law. To hold sacred the more trivial law, will help us to hold sacred the most important and hallowed laws.

We, your Board, exhort that the preachers and members give themselves to the more sacred regard of all law, whether it be the requirements of our Conference to the nonuse of tobacco by our preachers, the proper observance of the Sabbath, by all, or the keeping of the laws of the State.

We are especially interested in the enforcement of the prohibition laws of our country and commend our preachers and lay-members for the liberal support they have given in this important work. Many victories have been won, but we must not cease until our task is completed.

We wish to call attention to the organized forces at work to overthrow prohibition by annulling the Volstead Law. This can only be accomplished by the election of wet men to our law making bodies. This their well-financed organizations are trying to do. If they succeed prohibition will be a thing of the past and a terrific struggle will be necessary to make our nation dry again.

We beg our good people to be at the polls on election day and vote for dry men regardless of party affiliations. We recommend a continued close affiliation with the anti-saloon league and we endeavor to give them a sufficient and adequate financial support to make their work in this fight the most effective.

We ask the Conference to elect to the State Board of the Anti-Saloon League J. J. Reed and Martin A. Lawson.

J. J. REED, Chairman

W. LESLIE MYERS, Secretary

### REPORT OF THE BOARD OF FINANCE

We have had before us the report of the General Board. It is with pleasure that we note the progress of the Board and action of our recent General Conference in behalf of the Superannuated Endowment Fund.

The time has come when we must make more adequate provision for the support of these men who have made our great Church possible in this section and all the Southland. We can never answer the criticism of the business world brought upon us until we make possible a comfortable old age for these faithful men and women of our Church.

We heartily endorse the plans of the General Board and the General Conference to accumulate a fund to be left and invested for this purpose and we pledge our most loyal support in every way possible. And our co-operation with the Board of Finance to carry out all of its plans and the accomplishment of its important task.

### REPORT OF THE WOMAN'S MISSIONARY SOCIETY

Another quadrennium has become a matter of history; the records stand as they have been written. The past four years have been years of anxiety, war, pestilence and famine. At times our faith has been sorely tried, and yet, through it all, God has been standing "amid the shadows keeping watch above His own," and under His guidance there has been a steady growth in every department of the work.

During the quadrennium there has been an increase of sixty-seven (67) auxiliaries in the four departments with an increase of 1731 members. There has also been a steady growth in Mission study classes, and in social service work done throughout the Conference. Our women are better informed along Missionary lines, and this information is expressing itself through every department of the auxiliary.

The financial report has been most gratifying. Four years ago Missouri Conference had never met its budget in full; the reports for the past two years show that we have had a surplus each year.

The year 1921 has shown a marked increase in the number of new auxiliaries and members. During the year thirty-three (33) new auxiliaries were organized; 9 adult, 7 young people, 10 junior and 7 baby divisions. New members gained during the year, 588; adult 277, young people 136, Junior 110, baby divisions 115. This was an increase of 31% and we received council mention for this splendid showing. Number of auxiliaries at close of 1921—adult 105, young people 30, juniors 34, baby divisions 30. Total number of auxiliaries in Missouri Conference 198. Membership of auxiliaries at close of 1921—adult 2,949, young people 617, juniors 620, baby division 397. Total membership 4,583. While we have lost a few auxiliaries, a fact always to be deplored, our work is slowly but surely going forward.

The financial report for the year is most gratifying; in spite of the financial depression throughout the country our women, young people, and children, have given more for the support of the work than ever before.

The full amount of the budget, \$10,700 was sent to the Council Treasurer.

The Alcinda Allen Reed Scholarship has been provided for in cash and subscriptions.

The women of Missouri Conference have pledged their full amount, \$5.00 per member, for the Council Residence Hall to be erected in Columbia, Mo.

A beautiful building site has already been purchased. The Missionary women of the three Missouri Conferences are working with the Woman's Missionary Council to make this dormitory possible. The funds and pledges are increasing and Missouri Conference expects to meet its first payment, \$5,000, in January.

Our prayers and best wishes follow our Deaconesses and Missionaries who have gone from Missouri Conference into the work of the Council. Their appointments for the new year are as follows:

Deaconess Florence Blackwell was sent as a church deaconess to Winston, Salem, N. C.

Deaconess Cora Borchers to Wolff Settlement, Tampa, Fla.

Deaconess Ethel Cunningham goes to Avondale Mill Church in Birmingham, Ala.

Deaconess Mattie Cunningham was sent to Brooks Institute, Harts-horne, Okla.

Miss Eliza Perkinson is business manager of Bennett College which is located in Rio de Janeiro, Brazil.

Miss Eva Louise Hyde is principal of Bennett College, Rio de Janeiro, Brazil.

Miss Nina Stallings is connected with the Maria La Gibson Settlement, Soochow, China.

Miss Bess Combs is in Sung Kiang, China, in charge of District Woman's Work and Day Schools.

Miss Blanche Hagar is teaching music to the women of the Bible school in Kobe and to women in training for kindergarten work in Osaka training school.

Miss Mary Searcy is giving most of her time to language study in Kure, Japan.

Miss Dora Ingram is principal of a girls' school in Monterrey, Mexico.

We have two candidates in training for special work.

Miss Lillian Lehnhoff is a student in Scarritt Bible and Training School preparing herself for work in the foreign field.

Miss Mary Glendenning of Palmyra, Mo., is fitting herself for mission work. She is also a student in Scarritt.

We are happy to report twenty-one (21) volunteers within the bounds of Missouri Conference. Many of these young people are still in High School. We should pray earnestly that God will direct and guide this young life, that they may find a definite field of service in His kingdom.

Scarritt Bible and Training School reports the largest enrollment in its history, and a most splendid year's work in every department of the school.

The Wesley Community House is still ministering to a large group of worthy people and is accomplishing a great work, "In His Name." Miss Florence Bigelow and Miss Graham were appointed at the Council meeting to work in this worthy field.

On July 20, Miss Belle H. Bennett, the beloved President of the Woman's Missionary Council, entered the life "more abundant." We are bereft indeed in her going; but we believe that her spirit and her blessed memory still abides in the hearts of the women of Southern Methodism and at her request we are endeavoring to "carry on."

As we sum up the year's work we realize how wonderfully God has blessed us and made possible this report.

And we are not unmindful of the help which the Presiding Elders, pastors, and laymen have given us in our work. Without your assistance we can do very little.

We thank you for your co-operation and ask that in the coming year you will help us to extend our borders, that we may seek to interest the uninterested women of our churches and that we may be able to enter new fields of service.

Our aim for the new year is a more consecrated service to Him and to this great world task which He has committed to our hands.

Our Council motto is:

"We are laborers together with Him."

If we may keep this in mind throughout the coming year we shall accomplish even greater things in His name.

MRS. R. H. EMBERSON, President

MRS. W. M. ALEXANDER, Cor. Sec'y.

#### REPORT OF THE BOARD OF LAY ACTIVITIES

The Board of Lay Activities report that they have taken into consideration the new law passed by the last General Conference, and that they intend to organize the Conference in conformity to that law. The Board expects splendid results from the activities of the Board and the work of the subordinate Boards. They are especially anxious to enlarge

the circulation of and to cause the collection of over-due subscriptions to, the St. Louis Christian Advocate.

We nominate Martin E. Lawson, of Liberty, for Conference Lay Leader.

Respectfully submitted,

L. O. WILSON, Chairman.

### REPORT ON HOSPITALS

First: The Missouri Annual Conference rejoices that the last General Conference provided for the establishment of a Hospital Board and that the church has now begun in an organized way to promote hospitals. This step has been too long delayed and the Church is far behind in bringing relief to the sick. By appointing an Auxiliary Hospital Board this Conference has put itself in a position to do its full part in promoting this cause and calls upon its members to keep the hospital movement before the minds of the people. Such a course is in closest keeping with the spirit of the Master who never turned away from the cry of the sick.

The communication from Bishop Candler, Chairman of the General Hospital Board has been sympathetically considered and the Conference cheerfully complies herein with its suggestions.

Second: The diligent care of the pastors is urged in presenting the Golden Cross Society to their churches. By means of this society, the funds for which will be secured by one dollar annual memberships, there can be gathered a great deal for building, equipping and sustaining hospitals throughout the church. Eighty per cent of the money thus collected will go to the hospital of the patronizing Conference and twenty per cent to the General Hospital Board for distribution in connectional enterprises.

We recommend that the time between the Sunday before Thanksgiving to the Sunday of Christmas week be set aside for the initiation and completion of the membership campaign.

The money thus collected shall be forwarded to the treasurer, Rev. T. A. Allison, and eighty per cent due Barnes Hospital to be forwarded by him to the Chaplain of Barnes Hospital who is hereby authorized to receive and disburse it for the sick poor, and the remaining twenty per cent to be sent to the parent board.

Third: The communication from the Trustees of Barnes Hospital brought to the Conference information concerning the extensive and unsurpassed service that great institution is rendering. It treated 3549 patients in eleven months of last year and of this number seventy-seven and one-half per cent were charged no fee for doctor or surgeon and twenty-five per cent were unable to pay for even bed and food. The large amount of charity work done by the hospital resulted last year in a net deficit of \$45769.09. Our Conference purposes hereafter, by the use of the Golden Cross Society and other methods, to aid in the noble and Christ-like work of furnishing free beds for the sick poor at Barnes Hospital. We never cease to thank God that He put it into the heart of Mr. Robert A. Barnes to place this great center of healing under the auspices of our church, and we affirm our intention to be faithful to the trust.

Fourth: From our Chaplain, Rev. Alfred F. Smith, the following communication was received and we are pleased to note it here:

"As your chaplain at Barnes Hospital I have made during the year no less than ten thousand bedside visits. I have prayed with sick and dying. I have tried to comfort families and friends of patients. I have been called by nurses in the night. I have seen men and women brighter with peace as they drew near their Saviour. I have conducted Sunday afternoon and Wednesday night chapel services. Nobody at the Hospital is busier than the chaplain. The sick ones watch for his coming and ask about him if he is absent long. Your chaplain believes he has an unusual pastorate that has exceptional opportunities for personal evangelism. Within the period of a year he mingles with patients which come from twenty-nine religious bodies and thirty-one nationalities.

"The chaplain wishes to co-operate with the proposed Annual Conference Hospital Board and with all the churches and pastors in keeping our great Barnes Hospital before the people and in procuring donations for the care of free patients. He wishes to direct attention to the need and noble calling of nursing, into which as a profession young women may enter under the impulse of highest motives. It is a field of life service, offers excellent remuneration, and though accompanied with dignity and honor, is quite inadequately supplied.

"During the past year some substantial bequests have been written into wills and notice of them sent to the chaplain. It is necessary that your chaplain give careful and continuous attention to the increasing of the endowment funds and he urges that you aid him in reaching possible donors."

Fifth: For support of our chaplain, an assessment of \$2500 is hereby

made upon the Conference and the Commission on Budget is directed to place it amongst the other assessments for apportionment.

### REPORT OF WESTERN METHODIST ASSEMBLY

We, your Committee, have read carefully the report of the Western Methodist Assembly Board for the Missouri, Southwest Missouri, St. Louis, West Oklahoma, East Oklahoma, Northwest Texas, Central Texas, North Texas, Texas, Louisiana, North Arkansas, and Little Rock Conferences of the Methodist Episcopal Church, South, which is as follows:

Dear Fathers and Brethren:

At their 1921 sessions identical resolutions were passed by all of the above named Conferences authorizing the appointment of two commissioners each to select a site for an Assembly and carry forward the enterprise.

Acting under these resolutions the commissioners organized and received propositions. They considered six attractive locations and on March 15, at Ft. Smith, Ark., accepted the proposition of Fayetteville, Ark., and located the Assembly on a beautiful mountain, now called Mount Sequoyah, just outside the city limits.

The proposition, in brief, is as follows: (1) 400 acres of very valuable land, (2) \$35,000 in cash, and (3) connection with city water and light plants and sewer, and a good road from the paved streets to the Assembly entrance. To make the donation cost Fayetteville approximately \$100,000, and as it would cost the Assembly about \$75,000 to provide these facilities, and as it is possible to sell lots to the amount of \$100,000, your Board believes that it has secured to the church property and utilities worth from \$200,000 to \$300,000. The land is deeded in fee simple to the Board and is to be used for an Assembly under the control of the twelve Conferences named above.

The donation is large, but Fayetteville was not chosen solely on account of its liberal gift, but because it combines in a high degree many other advantages; namely: (1) An altitude of 1720 feet on Mount Sequoyah, (2) A delightful summer climate, (3) Remarkable scenic beauties, (4) A community famous for its culture and social life, (5) The University of Arkansas with its strong summer courses and popular Assemblies, (6) Convenience and accessibility both by railroad and automobile, (7) The

wonderful variety and quality of its farm, garden, and orchard products, and (8) The unique and almost perfect adaptation of the 400 acres to the varied uses of an Assembly.

A contract covering the details of acquiring the property and utilities is being rapidly and satisfactorily executed, and all relations with citizens and representatives of Fayetteville have been of the most cordial character.

Members of our Board have from time to time explored and studied the grounds and surroundings, and the better they know the location and all the environments the more they appreciate them.

In order that all the improvements and development may harmonize and be of the highest order, the firm of Hare and Hare, nationally known landscape architects of Kansas City, has been employed, plans have been made, and the grounds will be carefully laid out and improvements made according to these plans under the direction of a competent civil engineer whose services have been secured.

As soon as satisfactory arrangements can be made, lots, ranging in value from \$300 to \$1500, will be offered for sale, and as all of these lots have beauty of situation and are near both the city and the Assembly grounds, it is believed that they will sell rapidly and furnish additional funds for development.

It was decided to use the \$35,000 donation for the absolutely necessary improvements. Within a few weeks it is expected that work on roads, sewers, water mains, water tower, and administration building will begin, and a little later construction of a dining hall, dormitories, cottages, and an auditorium will be started with a view to having safe, sanitary, and comfortable quarters for the opening of the Assembly next June.

Negotiations will begin with the Boards of Missions and Education, and the Sunday School and Epworth League Boards, and with platform and pulpit and other talent for a great program. It is intended that there shall be ample ministry to spiritual and intellectual needs and the recreational needs shall not be neglected. Consequently ample provision for golf, tennis, boating and bathing and for camps and excursions will be made. On the nationally famous "Happy Hollow Farm," which becomes our property, is space for a great golf course and a beautiful lake, while another tract of 30 acres includes a quarter of a mile of the beautiful West Fork of White River with an "old-fashioned swimmin' hole" and facilities for boating and fishing. On the rocky and picturesque mountain-side will be trails and camp sites and picnic grounds. An automobile camp will be provided.

We confidently believe that the church west of the Mississippi River has a location which will make it possible to develop in the near future one of the greatest summer assemblies in the world. The commissioners, without calling on the Church for a dollar, have freely given their time and thought to this enterprise, and have been able to work together in complete harmony.

It is our purpose to avoid debt and our plans contemplate making the initial improvements with the funds already secured. However, we recognize the need of far greater facilities and ask the hearty co-operation of the conferences in the following particulars: (1) Approval of the work already done, (2) appointment or reappointment of trustees, as the commissioners are now called under the charter, (3) co-operation in the sale of lots, by which more funds may be secured, (4) co-operation in securing attendance at the first session, (5) favorable mention in pulpit and press, and (6) encouragement of Leagues, Sunday School and missionary workers in each conference to erect and maintain special buildings.

Your Board is ready to assign attractive sites to any Conference organization that will erect suitable buildings for Conference or State groups. We trust that the Boards representing these interests will take appropriate action.

In view of the fact that the Assembly is for the church west of the Mississippi River, it was decided that the name of the corporation should be Western Methodist Assembly. In order that there might be a thoroughly distinctive name for the site the name of the elevation was changed from East Mountain to Mount Sequoyah. This was the name of the famous Cherokee chief who gave his people a wonderful alphabet, led them west, and is supposed to have camped on this very mountain. Then it is in harmony with the custom of using Indian names, such as Chautauqua, Winona, and Junaluska, for summer assemblies.

In arranging for the charter under Arkansas law the number of trustees was increased from twenty-four to thirty-three, in order that there might be more laymen on the Board, and these were assigned to Conferences outside of Arkansas that did not have lay trustees.

Expecting full approval and support, we submit this report.

Western Methodist Assembly Board,

By A. C. Miller, President

C. O. Ransford, Secretary

Fayetteville, Ark., August 18, 1922.

We, your Committee, ask the Conference to endorse the action of the Western Methodist Assembly Board, and further ask that you elect the following as trustees of this Board: C. O. Ransford, Robt. McIlvoy and A. M. Clark.

WM. RUTHERFORD, Chairman  
W. LESLIE MYERS, Secretary

### PRESIDING ELDERS' REPORTS

#### Chillicothe District

We present the following report of the Chillicothe District:

There are 17 pastoral charges, served by 12 members of the Conference and four supplies, and one charge has had no pastor.

I have held 67 of the 68 quarterly conferences, and this conference missed, makes the second quarterly conference I have missed as a pastor or Presiding Elder in thirty-nine years of service.

There have been held 25 revivals, eight by the pastor alone, and 17 with help from other pastors or evangelists, resulting in 246 professions of religion. The Spiritual condition of the church is very good.

The additions to the church number 368, an average of 24 to each charge reporting additions, but only an average of 22.7 to the charge when applied to all the charges in the District. There have been 167 net increase to the membership.

There are 45 church buildings, valued at \$183,500.00. Nine buildings have been either repaired or furnished at a total cost of \$4,493.00, and one other is undergoing repairs now. There are 16 parsonages, value \$55,400.00; one district parsonage, value \$4,000.00

The benevolent collections have been carefully looked after, and several charges have paid more on these collections than last year, yet only the following have paid all claims in full: Chillicothe Station, Norborne Station, Cowgill Station.

There are 33 Sunday Schools, an increase of one. The general interest in the Sunday Schools is good. In some it is very good, and a goodly number of the scholars have joined the church during the year.

There are eight Epworth Leagues, an increase of four. Some of the Leagues are doing splendid work.

There are 13 Women's Missionary societies, an increase of two societies, with a total membership of 360.

The total amount pledged on the Centenary was \$70,945.11, and \$44,063.00, or 62.1 per cent has been paid, and 75.7 per cent on first four payments. Some two or three churches have paid as high as 82 per cent.

The subscription in the Christian Education Campaign was \$16,674.75, and \$3,570.50, or 21.4 per cent has been paid.

There are 447 St. Louis Advocates, or conference organs taken, this being 78.8 per cent of our District quota. Also there are 15 copies of the General Organ taken.

There is one charge contemplating building a \$25,000.00 or \$30,000.00 church next year. Also two other churches contemplating building in the very near future.

Our pastors have been diligent during the year and some of our congregations are taking on new life.

One splendid young man has been recommended for admission on trial into the Conference, and one man recommended for re-admission.

J. J. REED.

### The Fayette District

The Fayette District reported in 1921 a membership of 6215. This year the reports give her 6380, a net gain of 175. There are 19 pastoral charges, served by 16 members of the Conference, and three undergraduates. I have held 94 of the 96 quarterly conferences and four called sessions. In doing the work of the year I have traveled 6473 miles in a Ford, and fully 1000 miles by rail. Thirty-five protracted meetings have been held, almost exclusively by pastors and neighbor pastors, with over 300 conversions, and members added by vows, 258, and 328 by certificate and otherwise. Total, 586.

There are 44 church buildings, valued at \$252,000; 15 parsonages valued at \$50,900; a district parsonage valued at \$6,000. An indebtedness of less than \$10,000 on all this property a year ago has been materially decreased. Insurance of church property amounts to \$180,000.

Basements have been put under the Keytesville and Clifton Hill churches, increasing their capacity by 50 per cent, and their usefulness, im-

measurably. Minor improvements have been made on a number of other churches. Salisbury and Huntsville churches have been reducing indebtedness incurred in extensive interior decorations at the close of last year.

The following charges have paid all claims in full: Armstrong, Clifton and New Hope, Broadway at Columbia, Fayette Station, Glasgow, Keytesville, New Franklin and Clark, Prairie Hill and Salisbury. In addition to these, the following have paid in full the salaries: Dalton and Asbury, Wilkes Boulevard at Columbia, Fayette Circuit, Higbee, Huntsville Station, Roanoke and Rocheport. The three remaining charges have paid on claims about as follows: Columbia Circuit, 85 per cent on salaries and 25 per cent on benevolences; Huntsville Circuit 85 per cent on salaries and 50 per cent on claims; Ashland 80 per cent on salaries and 14 per cent on benevolences.

Sunday Schools have prospered, with an increase of 789 in enrollment and in improved organization. The Epworth League has increased in chapters by three with the membership one less than last year. The woman's Missionary Society has five less societies reported than last year by carelessness in the report. Their work has gone on magnificently in ever increasing force. Of the \$67,697 subscribed on Centenary, \$41,300 is credited as paid. This is 61 per cent of the 80 per cent due on Centenary and of the \$37,669 pledged on Education, \$6,585 has been paid, or nearly 20 per cent.

Salaries, assessed, \$27,259; paid, \$26,915, a deficit of \$344.

Conference Fund, assessed, \$5328; paid, \$4383, a deficit of \$943, an increase of \$329 over last year.

General fund, assessed, \$5165; paid, \$4245, a deficit of \$920, an increase of \$131 over last year.

The Missouri Methodist Foundation at Columbia has been reported by the Commission having it in charge, but the local congregation has subscribed about one-half of the \$100,000 expected of them, with the old church property valued at \$35,000. The Fayette church plant projected at an estimated cost of \$150,000 is held up for some months because of financial conditions, but will be pushed at the proper time.

Weakness in our administration is noticeable at two points. The assembling of the congregations in Church Conferences, giving all a chance to express themselves, is almost universally neglected. This is responsible for shortage of co-operation on the part of a considerable per cent of the membership. The other neglect is the administration of the Lord's Supper. According to the Disciplinary rule the sacrament should have been

administered 127 apart from the Quarterly Conferences, and allowing for the undergraduates. Only 37 credits were reported by pastors. Making allowance for the much bad weather of the year, 31 per cent credits is not justifiable.

B. D. SIPPLE.

### Gallatin District

The Gallatin District is composed of 15 pastoral charges and 35 congregations. Every congregation has a church in which to worship, and an active Sunday School. And nearly every one of these Sunday Schools is "evergreen." The development of the Sunday School work is heartening. The enrollment totals 3584. This year 183 pupils have united with the church. We have eight Epworth Leagues with a membership of 211.

Our cause has been strengthened by a number of fruitful revivals. Received into the membership of the church on profession of faith, 235; by certificate, 213, making a total of 448. The net membership of the district is 4069.

The success of our work is due in no small part to the devoted womanhood of the church. The amount of money raised by them for all causes runs into thousands of dollars. There are seven adult auxiliaries of the Woman's Missionary Society, with a membership of 147.

The total amount contributed for conference work is \$1630; general work \$1599, making a total paid on benevolences, \$3212.

A revival of church building activity is on. On the Denver Circuit in the last 13 months two substantial and attractive churches have been dedicated. At Hills Chapel is the most modern, sightly and thoroughly equipped rural church in the Missouri Conference. Other churches have been repaired, beautified and enlarged. Also, three new churches are to be erected during the coming conference year.

### Some Net Results of the Year's Work

Net increase in Sunday School enrollment, 256.

Net increase in church membership, 280.

Net increase in amounts raised for conference and general funds, \$1174.

One adult Missionary auxiliary organized, with 31 members.

One new church built and dedicated.

Three new church building enterprises to be consummated.

One young man recommended for admission on trial into the traveling connection. Two licensed to preach.

I wish to say this, that in all this fine scope of territory, in only three places is there another church of kindred faith and polity. The outlook for our Methodism in this district is most promising. The opportunities for development is a challenge to the conference to pay heed to this section of our domain, to strengthen it with men and money.

FRANK J. MAPEL.

### Hannibal District

Rev. O. H. Phillips, a man of apostolic character and greatly loved by all who know him, in closing his quadrennium on the Hannibal District, was stricken with a malignant disease, from which he still suffers great pain, and was compelled to surrender his charge. At his request Bishop W. B. Murrah appointed me Presiding Elder of the District. Beginning the first of March I made two rounds, holding 32 Quarterly conferences and preaching 87 times.

The Hannibal District has 16 pastoral charges. Forty-seven churches, all worshipping in comfortable church houses. Forty-five Sunday Schools, sixteen Epworth Leagues, and twenty-nine Women's Missionary Societies, who raised during the year for all purposes, \$3,009.17.

There has not been a general spirit of evangelism, and yet here and there were held some gracious revivals. Four hundred forty-two souls were added to the church.

On account of a most serious drouth which prevailed throughout our borders our financial interests have been seriously hindered. Pastors' salaries, with but few exceptions, have been paid in full, and the collections carefully looked after.

The following charges are worthy of special mention: Palmyra Station, R. A. Mitchell, paid all claims in full. Arch Street, Hannibal, W. L. Myers, pastor, paid all claims in full. Park Church, Hannibal, W. A. Tetley pastor, has provided for a debt of some years standing of \$6,500. Lewistown Church, M. A. West, P. C., is modernizing its church house at an expense of \$2000.00 for the better care of its Sunday School. Canton Charge, H. A. Showmaker pastor, has greatly improved the parsonage and paid all claims in full. New London, M. Moore, pastor, has greatly improved the parsonage.

One young man was licensed to preach.

No applications for admission into our Conference.

R. H. COOPER.

**Macon District**

I have held 69 of the 76 Quarterly conferences and three adjourned sessions. Have assisted in three revival meetings, with a total of 35 additions to the church. Baptized two infants. I have given ten minute addresses to 29 of the 40 Sunday Schools in the District. Have preached on an average of three sermons per week for 52 weeks. Revival meetings have been held in 30 of the 45 churches of the District during the year. Total number of additions, 261; volunteers for Life Service, 22; four young men licensed to preach; 16 Epworth Leagues; 5 Junior, 1 Intermediate; total League membership, 205.

Increase efficiency and attendance in Sunday School work, —; 35 churches out of 45 maintain a Sunday School. Woman's Missionary Societies, 18; total membership, 275.

Total amount contributed for all purposes, \$2000.

Eleven charges have paid salaries in full, viz: Bucklin Station and Circuit, Clarence, Downing, Gorin, Kirksville, Memphis, Macon Circuit and Station, Paris, Shelbina. Three charges have paid 100 per cent on Conf. and Con. Bdgt., viz: Bucklin Station, Paris and Shelbina Station.

Total amount pledged by Macon District to the Centenary, \$61,050.75; total amount paid, \$32,011.90.

Total amount pledged to Educational fund by Macon District, \$15,661.00; total amount paid, \$2743.26.

The Macon church was first in the three Missouri Conferences to secure her Advocate Quota in full. Every member of the official Board is a subscriber and 44 Advocates are taken in this congregation. This church has been redecorated and partially re-roofed at a cost of \$800.

The Paris church had all its financial obligations met by July 1.

The Madison church is putting a basement under the entire building and installing a new furnace at a cost of \$1,500.

Several other church buildings have been redecorated and painted.

The Kirksville Church has asked the General Church Extension Board for a gift of \$30,000 for an adequate church building in that educational center. The local church will undertake to raise \$20,000. This church has 16 volunteers for Life Service. Advocate Quota, 643; Advocates taken, 309.

J. W. KIMBRELL.

The remaining ten charges have paid in amounts ranging from 22 per cent to 38 per cent.

The Sunday Schools number 31—an increase of one. The enrollment is 4634, an increase of 100. We have 14 Epworth Leagues—a decrease of three. There are 15 Women's Missionary Societies with membership of 588.

Three new charges have been created in the District for the coming year: Morton, Richmond Circuit, North Kansas City Ct.

Six hundred dollars has been paid on the debt of the church at Henrietta.

J. M. BONE.

#### St. Charles District

The St. Charles District has been organized in every department of the church. Through the district Sunday School organization a Sunday School has been organized in every church in the District, and the standard of work raised on an average of 22 per cent.

Three Senior and two Junior Leagues have been organized. Through the work of the District Secretary of the Woman's Missionary Society five new auxiliaries have been organized. Three abandoned churches have been reopened and one new class organized.

Two good parsonages have been built, one at Winfield and one at St. Charles. A new church is in process of building at Defiance. Forty-one revivals have been held, resulting in 525 additions to the church.

There is no large deficit on salary, most of the churches reporting in full. Center Ct., Elssberry Ct., Troy Sta., and St. Charles Sta. have paid all claims in full.

Three have been licensed to preach and two recommended to the annual Conference for admission on trial.

Ninety-six new subscriptions to the St. Louis Christian Advocate have been secured.

G. A. SHADWICK.

### St. Joseph District

Bishop W. F. McMurry, whom we delight to welcome to the presidency of our Conference, closed a remarkably successful quadrennium on this district twenty-one years ago at this time.

Since that date there has been a net increase in membership of 25 per cent plus. 123 per cent increase in the value of the church property, 155 per cent increase in pastoral support, 209 per cent increase in assessments for Conference and General Work and 236 per cent increase in the amount paid for all purposes.

There are twenty-four charges in the district. Twenty of them served by members of the Conference, the other four by supplies.

Twenty-three meetings have been held. Twenty of these were held by the pastors and three by help from outside of the District. There have been 435 additions to the church on profession and 342 by certificate and otherwise, making a grand total of 777 additions this year, at this writing. There are forty-one churches and one school house appointment in the district. Eleven churches receive full time service, one church received three Sundays per month, eighteen receive two Sundays per month and twelve receive only one Sunday per month.

There have been ingatherings in some charges that are worthy of special interest. Francis Street Church, without any special revival effort, has received into the church 201. In this number are 71 men, 98 women, 16 boys and 16 girls, reaching 105 families that have previously had no connection with our church. Marvin Memorial has had 66 additions on profession and 18 by Certificate and otherwise, a very large per cent of whom are adults. Guilford and Bethel have had 52 additions by profession and 31 by certificate. Olive Street has had 32 additions on professions and 35 by certificate, mostly adults. There have been splendid ingatherings in quite a number of the other charges.

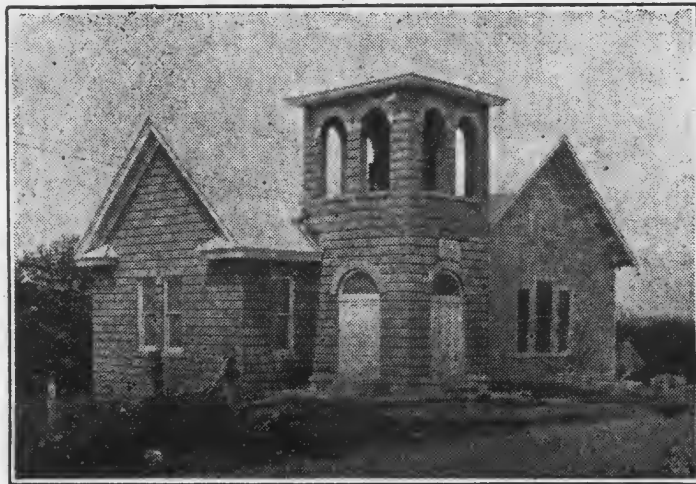

The assessments for Conference and General work amount to \$13,317. Francis Street, Olive Street, Marvin Memorial, Savannah Station, Forest City Station will pay in full on these claims. The other charges in most cases will pay beyond last year. There are 14 Epworth Leagues with a membership of 460. In the district are 41 Sunday Schools, with an enrollment of 7100. There are 26 Woman's Missionary societies with a membership of 622. The total Centenary pledge was \$101,289.00, of which we think there is about 60 per cent paid. The total pledge in the Educational Movement was \$18,664.00, of which considerably more than 30 per cent has been paid.

We have dedicated the elegant new church at Fortescue, which cost \$26,000.00. During the quadrennium we have built one new church, remodeled another at a cost of \$4500.00, built one new parsonage and have spent several thousand dollars in payment of debts and improvement of churches and parsonages. We have now very little indebtedness and every dollar of this is provided for in good subscriptions. We think the outlook for the future is very bright for our church in this great territory of our Conference.

Our earnest prayer is that what has been accomplished may constitute a foundation upon which larger and more efficient work may be built in the future.

Very respectfully submitted,

H. D. THOMPSON, Presiding Elder.

## Memoirs

---

### MRS. C. L. HESS

Near Scottsville, Ill., on May 26, 1877, there was born unto James P. and Evelyn Cherry a little girl whom they named Addie C. She grew to womanhood in the home of her parents and on September 25, 1895, was married to Rev. C. L. Hess, an itinerant Methodist preacher of the Illinois Conference, with whom she shared the labors, hardships, joys and triumphs of the itinerant life until November 13, 1921, when, after an illness of four months, she fell asleep in her parsonage home in Triplett, Mo., her husband having transferred, in 1900, from the Illinois to the Missouri Conference.

There were born unto Brother and Sister Hess three daughters, Gladys, Vera and Hester, all of whom, with the husband, two brothers and two sisters and a host of friends she leaves in sadness at her departure.

Sister Hess was converted in early life and joined the Baptist church, but after her marriage joined the Methodist church with her husband, sharing loyally and efficiently, with him, the duties of the itinerancy. Sister Hess, like an angel of mercy, carried cheer and blessings wherever she went, serving with joy and gladness in the name of her Lord, until He called her to her final rest.

Sister Hess was a beautiful Christian character, lovable, patient, humble, devout, forgetful of self in her effort to serve others. But she has gone to be with God. May her mantle fall upon her loving daughters and her memory be a benediction to all who knew her.

We conducted her funeral service, assisted by Rev. W. O. G. Potter of Brunswick, in the Methodist Church in Triplett and her remains were taken to Hettick, Ill., for interment.

May the husband and daughters be comforted by the sweet hope of meeting her in the Father's home above.

J. J. REED.

**MRS. C. A. BOWLES**

Mary Ethel Reed was born in Boothsville, W. Va., Jan. 12, 1878, was married to Rev. C. A. Bowles in March, 1904, came with him to Missouri in 1905, and died at Lawson, Mo., October 6, 1921, after eight years of suffering that was distressing. The deceased was converted in early childhood and united with the Methodist Episcopal Church, South, and developed into a woman of rare strength and sweetness of spirit, suffering through the long years without a murmur, and a courage beyond that of the warrior in battle. He has a chance to live, while she had no hope from the beginning. With the sentence of death upon her the duties of the home were looked after as calmly as one in health. The family were not burdened with her complaints. While the visitor need not be told of her pain, as it was written on her face, marking in every line with unerring precision, no words of sadness escaped her lips. The conversation was often interspersed with laughter, and even mirth.

For three years it was the writer's privilege to make frequent visits to her home while passing to or from his work. It was an unusual experience to see the period of suffering drawn out into years, with the invariable good cheer characterizing the sufferer's manner and words. It was no exaggeration when one said at the funeral: "Sister Bowles could have been nailed to the cross with a smile for her Lord." Suffering and grace had a rare combination in her experience. Both triumphed, the one in physical death, the other in the conquest of the fear of death and the grave, and both worked together in the development of a character of unusual patience and purity and gentleness.

Brother Bowles, with his three manly boys, Howard, fifteen years old; Robert, thirteen, and Lester, eleven, have lost more than they can even now realize. But the gain to the sufferer is beyond estimate. Her life makes a rich heritage that will abide. The Lawson community entered into the sorrow and expressed appreciation in a beautiful way. The loved ones in the far-away Virginia home grieve with her many friends of recent years.

B. D. SIPPLE.

**MRS. H. B. WATSON**

Miss Gertrude Wyoming Moore was born at Vienna, Virginia, July 10, 1843, and died in Hannibal, Mo., Nov. 4, 1921. In early life she gave her heart to God and united with the Methodist Church. In the year 1865 she was married to Rev. H. B. Watson in Baltimore, Maryland, and came

with him to Missouri. For about twenty-five years she shared with her honored husband the lights and shadows of the Methodist itinerancy, first in the Southwest Missouri Conference and later in the Missouri Conference. After his death in 1889 she moved to Palmyra where she spent the remainder of her life in the quietness and serenity of her own home, surrounded by hosts of friends who loved her dearly and were ever ready to minister to her needs.

Mrs. Watson was the mother of eight children, all but one of whom have preceded her to the spirit world. Her daughter, Miss Cora Watson, still survives as keeper of the old home. One of Mrs. Watson's sons, Edgar B., became a Methodist preacher and filled pastoral charges in the Missouri Conference and later in Texas where he died.

By the verdict of all who knew her, Mrs. Watson was a good woman. In Palmyra, where she lived nearly thirty years her name is pronounced with reverence. She was always at the services of the church when her health permitted and her presence was an inspiration to the preacher. After serving her generation well she has gone to that land of light and life and joy where no shadows ever come, to share with her sainted husband and beloved children the rewards of a long life wholly devoted to the service of her Lord. We buried her in the beautiful cemetery at Palmyra beside the remains of her dear daughter Mary, there to await the summons of the last day.

MRS. S. H. MILAM

In the late evening of Jan. 28, 1922, at Bethany Hospital, Kansas City, Mo., Mrs. S. H. Milam passed to her reward. Thus closed a life replete with Christian virtues and richly adorned with loveliness of perfect deeds. Born in Breckenridge County, Kentucky, sixty-four years ago, the child of pious Christian parents, Phoebe Ellen Moreman received from infancy a Christian training and developed a strength of character that throughout her mature life constituted her one of God's noblewomen. She was married to Rev. S. H. Milam, of the Missouri Conference, March 15, 1882. For nearly forty years she shared the labors of his ministry, filling her station with a queenly grace and cordial hospitality which endeared her alike to their associates in the itinerancy and to the multitude whom every community they served enjoyed their fellowship. It was my privilege to reside in their home while associated with them at the Macon District Academy. Her sweet, self-effacing spirit, and her thoughtful solici-

tude for all who dwelt under their roof, created in that year a friendship that has deepened with the passing years and is today a very sacrament.

Sister Milam was the mother of three children: Mrs. Fred H. Madison, of Wichita, Kans.; Fred Milam, of Oklahoma City, and Mrs. Victor Eisenstein, of Sedalia, Mo. These were all dedicated to God from their infancy, and every one of them has faithfully ratified and confirmed the deed. Beside the children her venerable husband abides, full of the Holy Ghost and of faith, awaiting in feebleness extreme the Father's summons.

Sister Milam had but little warning of her approaching death. She required none. Her lamp trimmed and burning, she yielded up her spirit with a peace as serene as the sleep of a child and entered into the everlasting habitations.

CAROL V. LANIUS.
